

Patient Interview

Are you having *any* problems which need to be addressed today?

How did you find out about our office?

What are you looking for in a dentist?

How long has it been since your last dental visit?

Why did you leave your last dental visit?

Have you had any bad experiences at the dentist?

How important are your teeth to you?

Do your gums ever bleed when brushing or flossing your teeth?

Does your jaw ever pop, lock, or hurt in the morning?

Is there anything about your smile you would like to change?

Do you wish your teeth could be whiter?
